SNYDERVILLE BASIN SPECIAL RECREATION DISTRICT
FACILITIES IMPACT FEE APPLICATION (Effective 4/20/06)

This application is required to be completed in full, in compliance with the Summit County Ordinance concerning construction in the Snyderville Basin Special Recreation District. The information you provide will be used to determine the initial amount of the Recreation Facilities Impact Fee and the allowable property tax credits that will reduce the total fee payable. A fee computation report will be provided to you based on the information you provide in the application. You may claim additional credit if you believe you are entitled to additional allowable credits, and the information you provide will be used to determine if more allowable credit will be used to reduce the net fee payable. Please see the facilities impact fee instruction guide provided by the Recreation District for further information on allowable credits.

Application Procedure: Recreation Facilities Impact Fees will be assessed and collected prior to issuance of any building permit for new construction. Please complete this application and call the District Office at 649-1564 to schedule an appointment with the Fee Agent to review project plans. A receipt will be provided for presentation to the Summit County Building Official.
